102-26	Role of highest governance body in setting purpose, values,and strateg	"The company's Board of Directors establishes the general business strategy and approves the strategic plan prepared by the management, con sidering environmental, social and corporate governance aspects. It supervises the plan imple mentation based on financial and non-financial indicators. (Corporate Governance Code, pages 3,4, 6 and 7. <u>Click here</u>) The Board of Directors is in charge, through the Risk and Sustainability Committee, of monitoring the adequate imple- mentation of the comprehensive risk manage- ment policies to promote best practices in sustainability; as well as preparing and approving the annual and quarterly Financial Statements, as well as the related Emission Prospects and Form 20-F, among other functions."	-
